

3 months maintenance & beyond

Welcome Home

Here at Practical Homes we are proud of our 25 years experience in delivering beautiful practical homes. We pride ourselves on not only building a quality home but customer service including our after settlement support and after care.

At hand over, you will be provided details regarding your 3 month maintenance guarantee. After 3 months a representative from Practical Homes will arrange a suitable time to review your maintenance items.

Step 1: Client to document and record any items that require review.

Step 2: After 3 months from the date of handover, a Practical Homes Representative will contact you to arrange a suitable time to conduct maintenance inspection. Client to go over items requiring attention.

Step 3: Practical Homes to coordinate trades to review requested maintenance items.

Step 4: Client to confirm once all requested maintenance items completed.

All Practical Home Clients are covered by Home Warranty Insurance for Major Defects for 6 years from date of handover.

Each of our Supplier's Provide Different Warranty Periods – please see below our suppliers details.
